

## Wilson Ram Band REMIND

The Remind service does not give students, parents or teachers each other's phone numbers.

When you sign up, all the teacher will see is a name,

and can only send group texts - not individuals.

There is also no reply texting allowed through this service.

We will use this service to text practice record reminders on Sunday evenings, any reminders about concerts, events, items due or updates if we are on a trip or off campus. It is a great way for the directors to get information out quickly to students and parents while keeping everyone's information hidden.

**To sign up.....**
